Fact Sheet

About Michael Jaafar

Michael Jaafar is a highly respected attorney with a focus on personal injury law, known for his dedication to fighting for justice and obtaining significant results for his clients. With years of experience handling complex cases, Michael has built a reputation for his aggressive litigation style and commitment to protecting the rights of individuals. He leads 800 Big Mike, a prominent law firm with a mission to offer compassionate, professional, and results-driven legal representation.

Comprehensive Legal Services

800 Big Mike offers a wide range of legal services, specializing in personal injury, medical malpractice, wrongful death, and product liability cases. Their team is equipped to handle complex litigation, utilizing a client-centered approach to ensure the best possible outcomes.

Nationwide Reach with Focus on Michigan and Ohio

While 800 Big Mike accepts cases from across the United States, the firm primarily serves clients in Michigan and Ohio. The team is deeply committed to these communities, providing top-tier legal services in cases ranging from personal injury and negligence to wrongful death. Their extensive knowledge of local and federal laws allows them to deliver successful outcomes for their clients, no matter where they are located.
